

GDL Ed Begley Jr

<https://silosolo.com/518455>

Summary

Ed Begley Jr. is a renowned actor and advocate of sustainable living. He always wanted to be an actor, inspired by his father's career. However, he initially underestimated the amount of work and training it would take. He got his start in the entertainment industry in 1967 and has been working for 55 years. In addition to his acting career, Ed Begley Jr. is the co-founder of Begley's Cleaners, a line of environmentally friendly cleaning products. He started the company with the help of Mark Cunningham, who had the necessary expertise and certifications. Ed Begley Jr. emphasizes the importance of using non-toxic products, especially in areas where pets and children are present.
