

GDL Ed Begley Jr.

<https://silosolo.com/185236>

Summary

The video is an interview with Ed Begley Junior about his acting career and his passion for sustainability. Begley always wanted to be an actor because his father was one. He initially thought acting was easy but later realized the hard work and dedication it requires. In addition to his acting career, Begley started Begley's Cleaners to provide eco-friendly cleaning products. He partnered with Mark Cunningham and the company Lab clean to improve and sell the products. Begley emphasizes the importance of using non-toxic products, especially on floors where pets and children come into contact.
